My name is **PATRICK CHENG**

I'm a **Tech Startup Entrepreneur** who made his **Millions** by developing innovative strategies to **WIN**

That is what I put on the tax form.

I'll teach you some of those strategies to achieve your goal of **WINNING!**

RULE #1

Life is like a Game of Chess

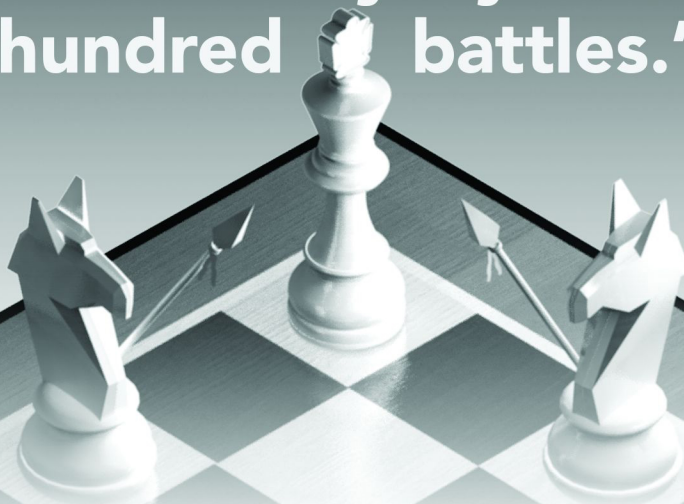

and every person you meet is a potential Bobby Fischer waiting to outmove you.

You will need to pull every strategy and tactic possible to defeat your opponent.

As Sun Sue once said
"If you know the enemy... you need not fear...
a hundred **battles.**"

Knowing Chess is just like Knowing Life.

And just like Chess,
once you push your
pieces through, you
can demand from
your rivals to...

**KING
ME**

Ed. Note: I think "King Me" is a checkers thing??
Also please stop sending drafts to the Printing Room.

You'll be faced with people who would call you "friend" or "fiancee"...

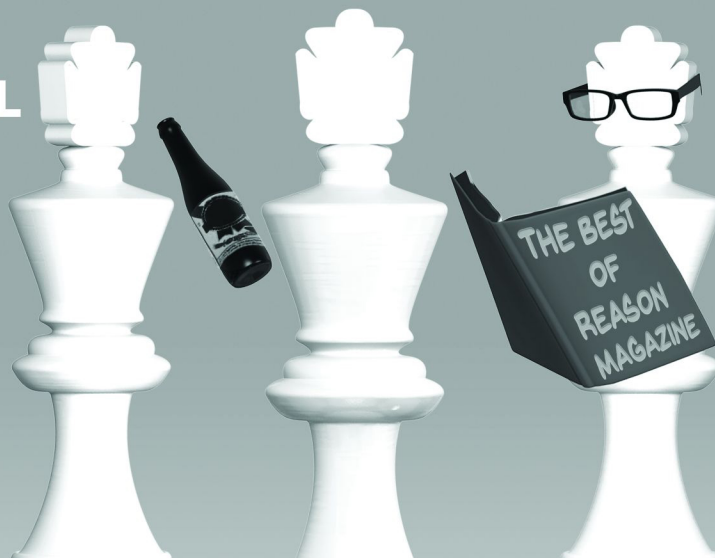

...but they're all a
bunch of sharks
and fakes...

...Like...
CINDY

..that
BITCH!

As an
INTELLECTUAL
it is best
for you
to separate
yourself
from
such **filth.**

Instead, join
your kin of
like minded
WINNERS,

Chess Strategies DIRECTLY TRANSLATE to real life

USE PAWNS AS FODDER

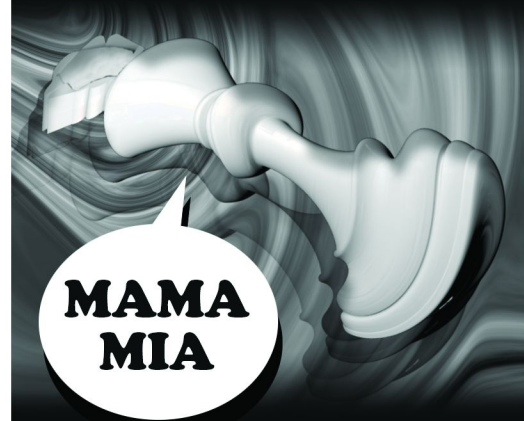

Sacrifice lesser friends in order to get one over your enemies.

TRAP ENEMIES

Check your state laws to see if this is permissible. (Alabama Probably)

THE SICILIAN DEFENSE

Be like the Great Italian (Super Mario) And ingest shrooms to get bigger.

Now you might say:

"I followed all your strategies, and all I got was a restraining order, what am I missing?"

THE FINAL INGREDIENT...

BRAIN PIECE

The Ultimate Chess Piece!! Which is your Brain! Which is a Pill you literally put into your mouth.

You can trust it, because my face is on it!

BRAIN PIECE is arguably proven to improve cognition, learning, and male virility

Warning: Product is not FBI approved.

Ed Note: You mean "Not FDA approved", instead of FBI, right? RIGHT?!!

After the arrest, reporters had asked if “Cindy” had a comment about the affair.

There were claims that all Cindy did was look up at the sky, smile... and then began laughing maniacally before taking out a selfie stick and using it as a
