Cafe Mustache

2313 N. Milwaukee Ave.

This is one of the only...

...Late night Cafes in the entire City

There's a bar connected to it that has bands & Karaoke...

...But I'm Anti-Social, so I spend time on the cafe side.

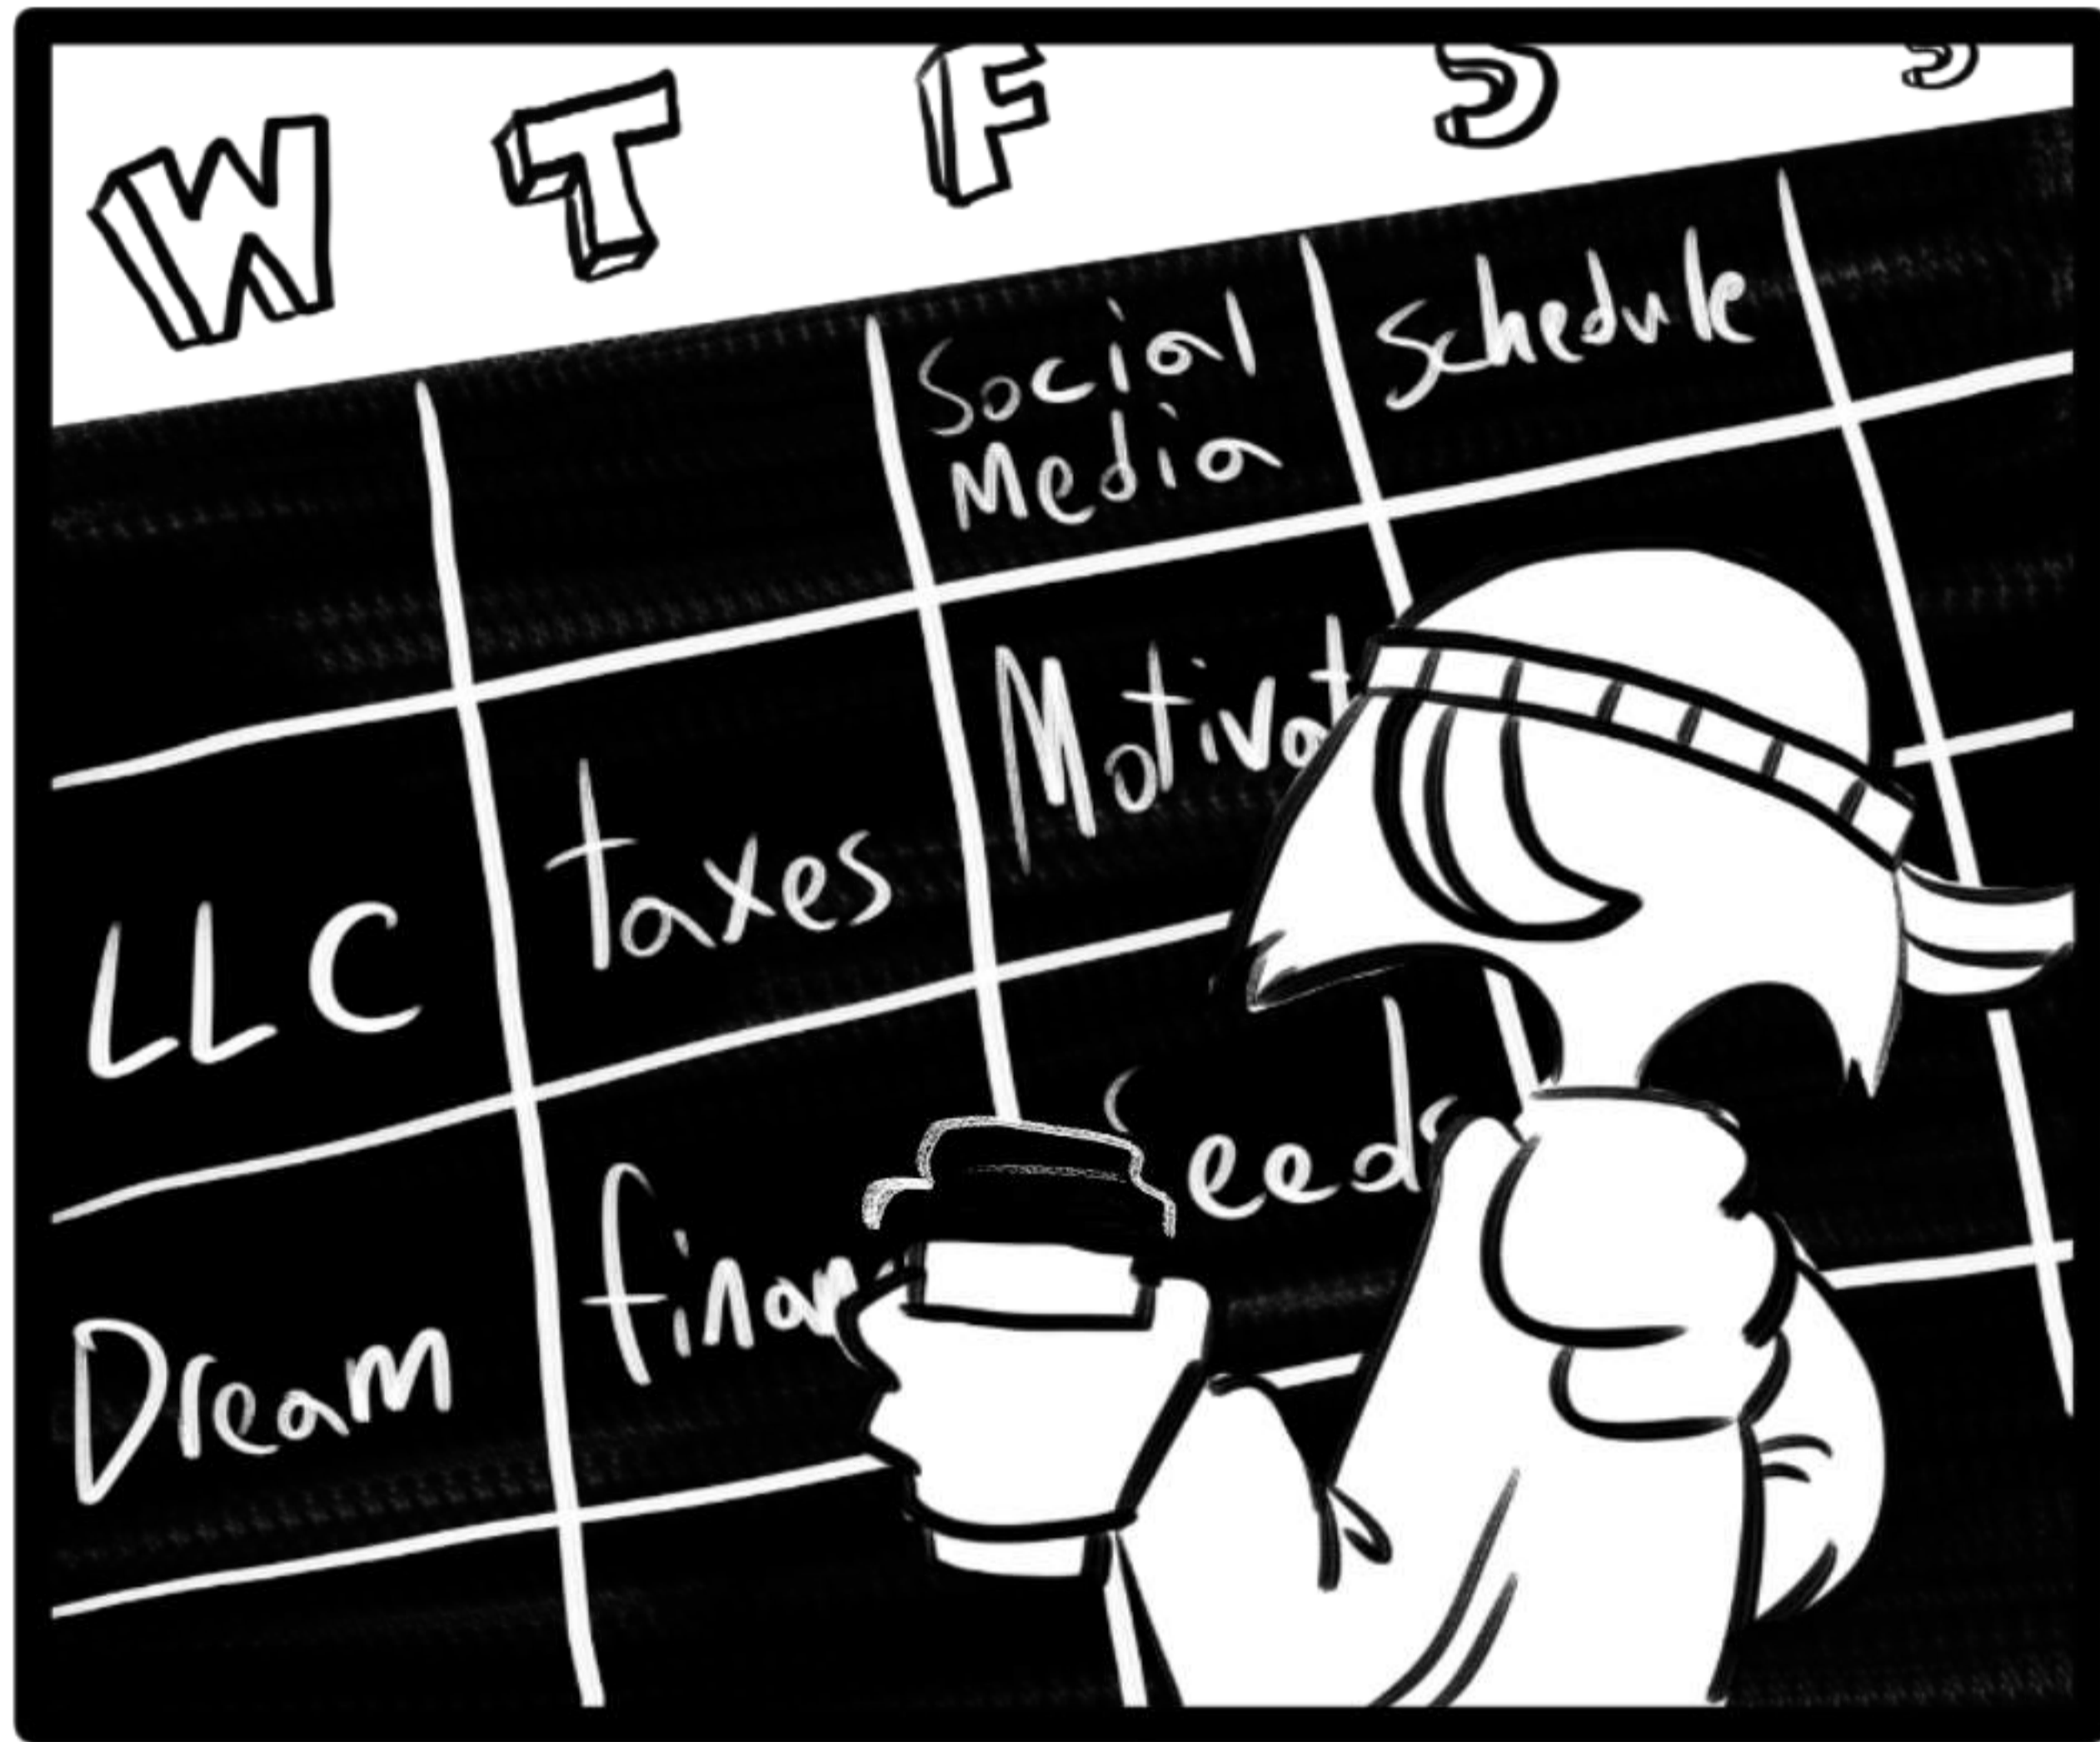

Late Night Coffee is a RARE PLEASURE

Also, they stick mustaches on the bathroom mirrors.

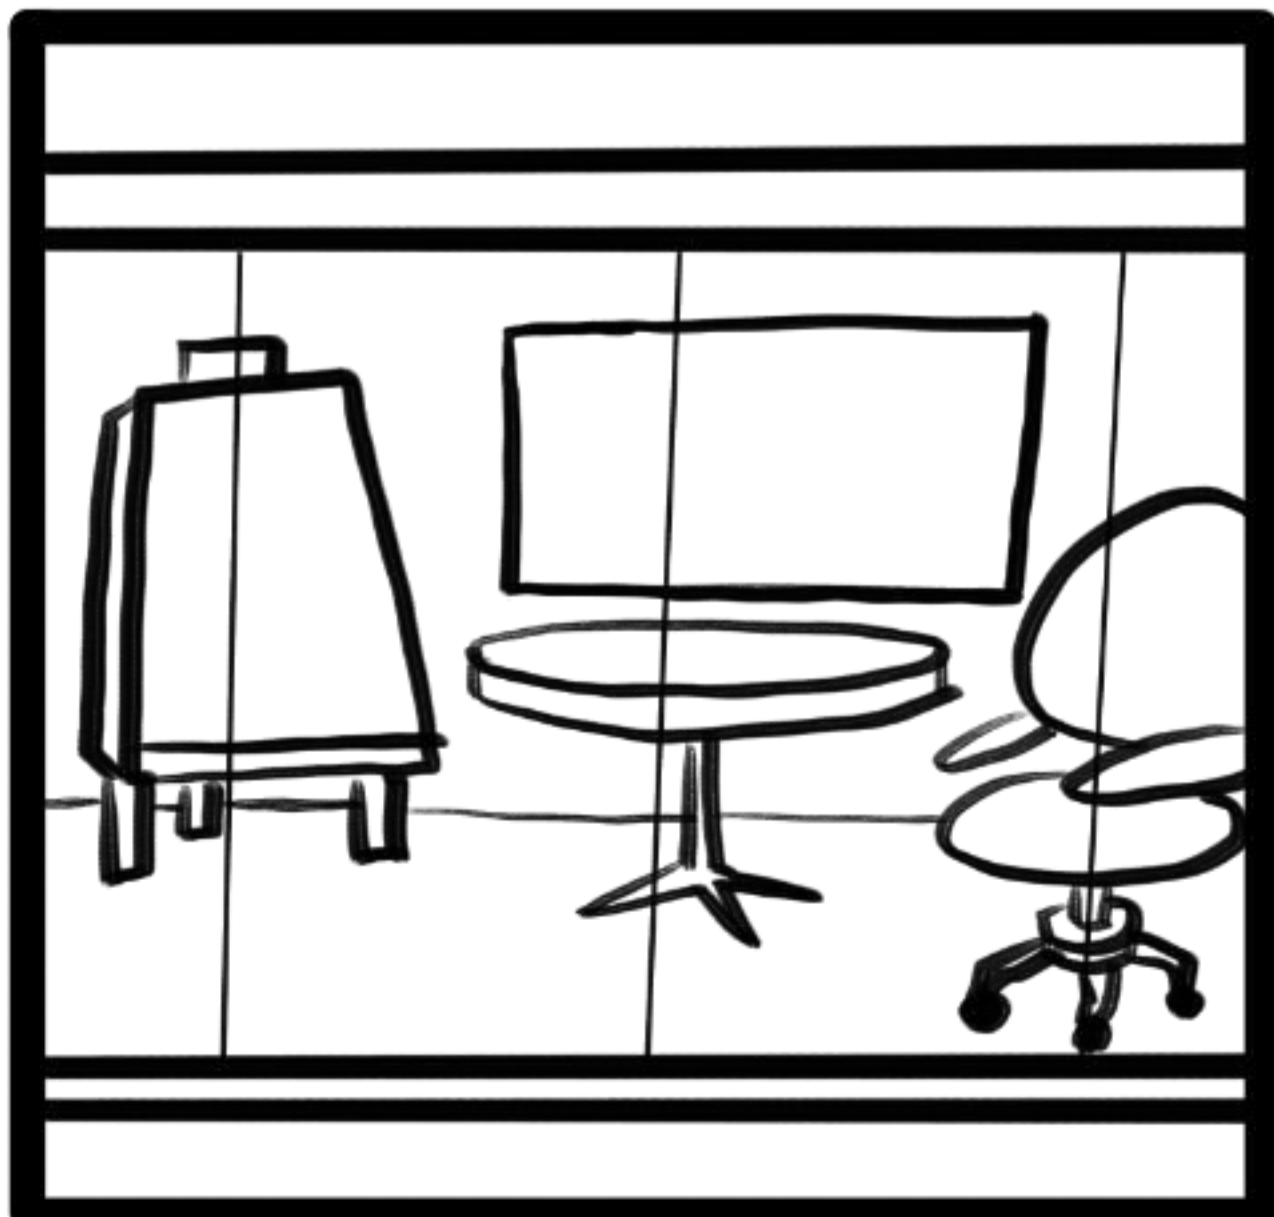

NEXT DOOR CAFE - 659 W. Diversey

This Place has got a HARD-ON for "entrepreneurship"

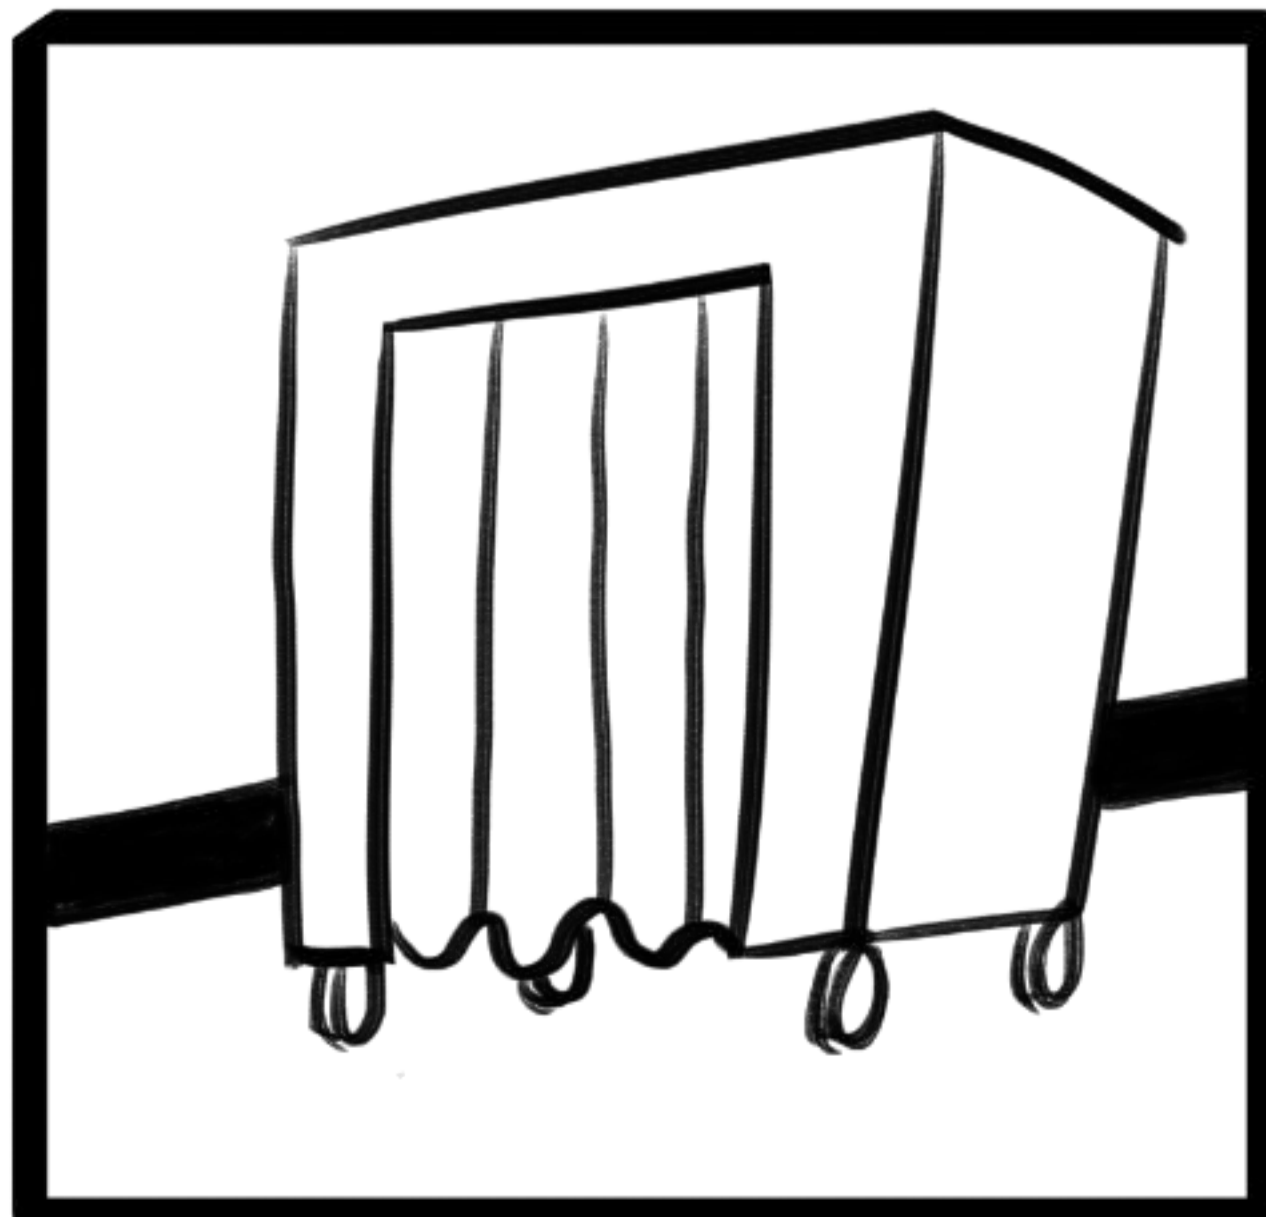

Their Colossal Calendar of Scheduled Seminars

Also...

Meeting Rooms

CALL Booths

Couch size Chair things?!

And they ain't kidding about those seminars.

My life Changed

When I joined Twitter.

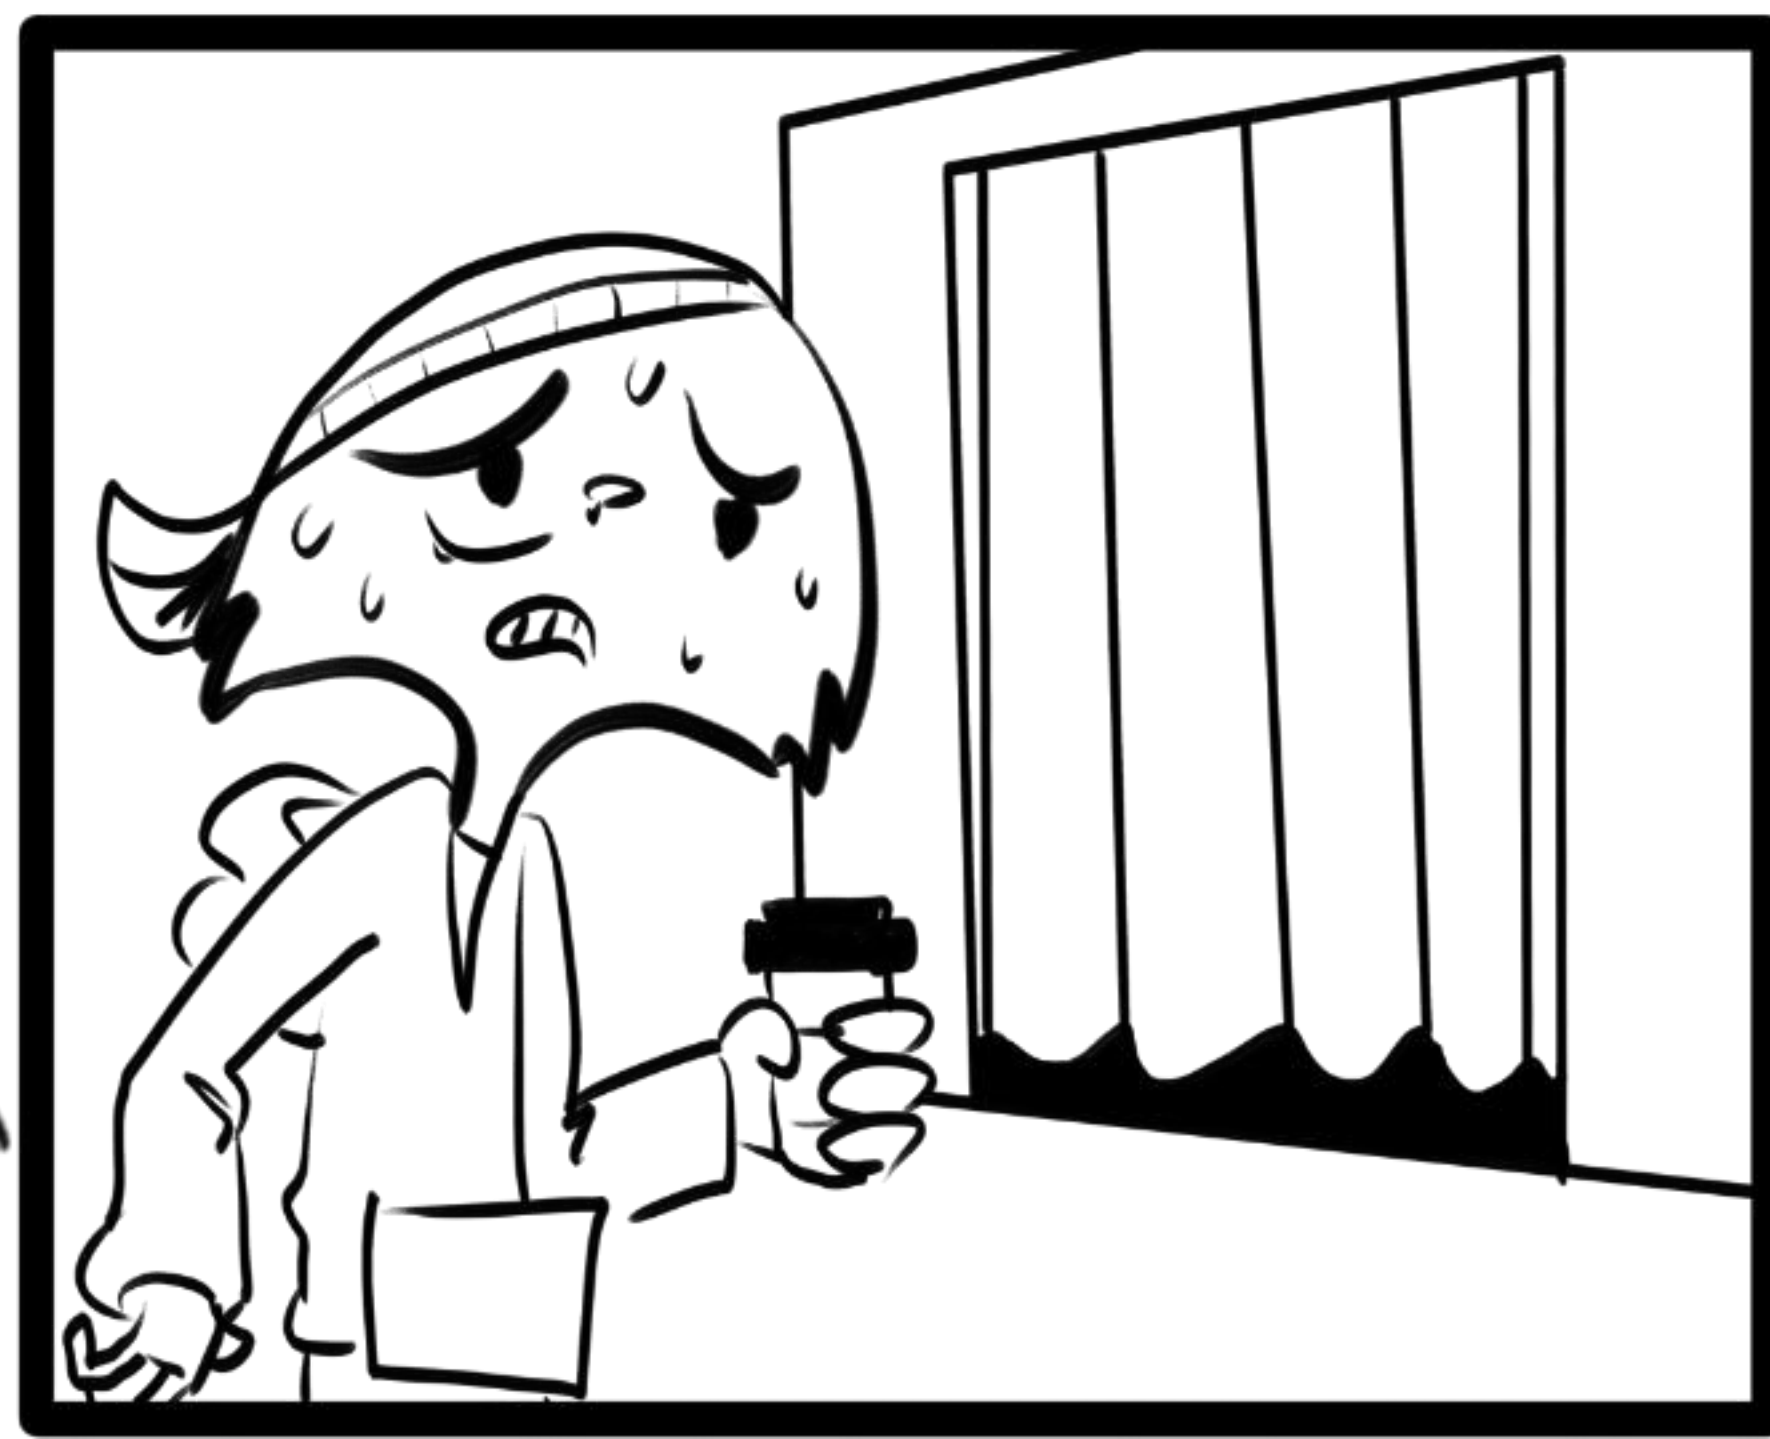

Everything is so... important! Built for the Aspiring Businessman!

Although, most people here just sit around Facebooking.

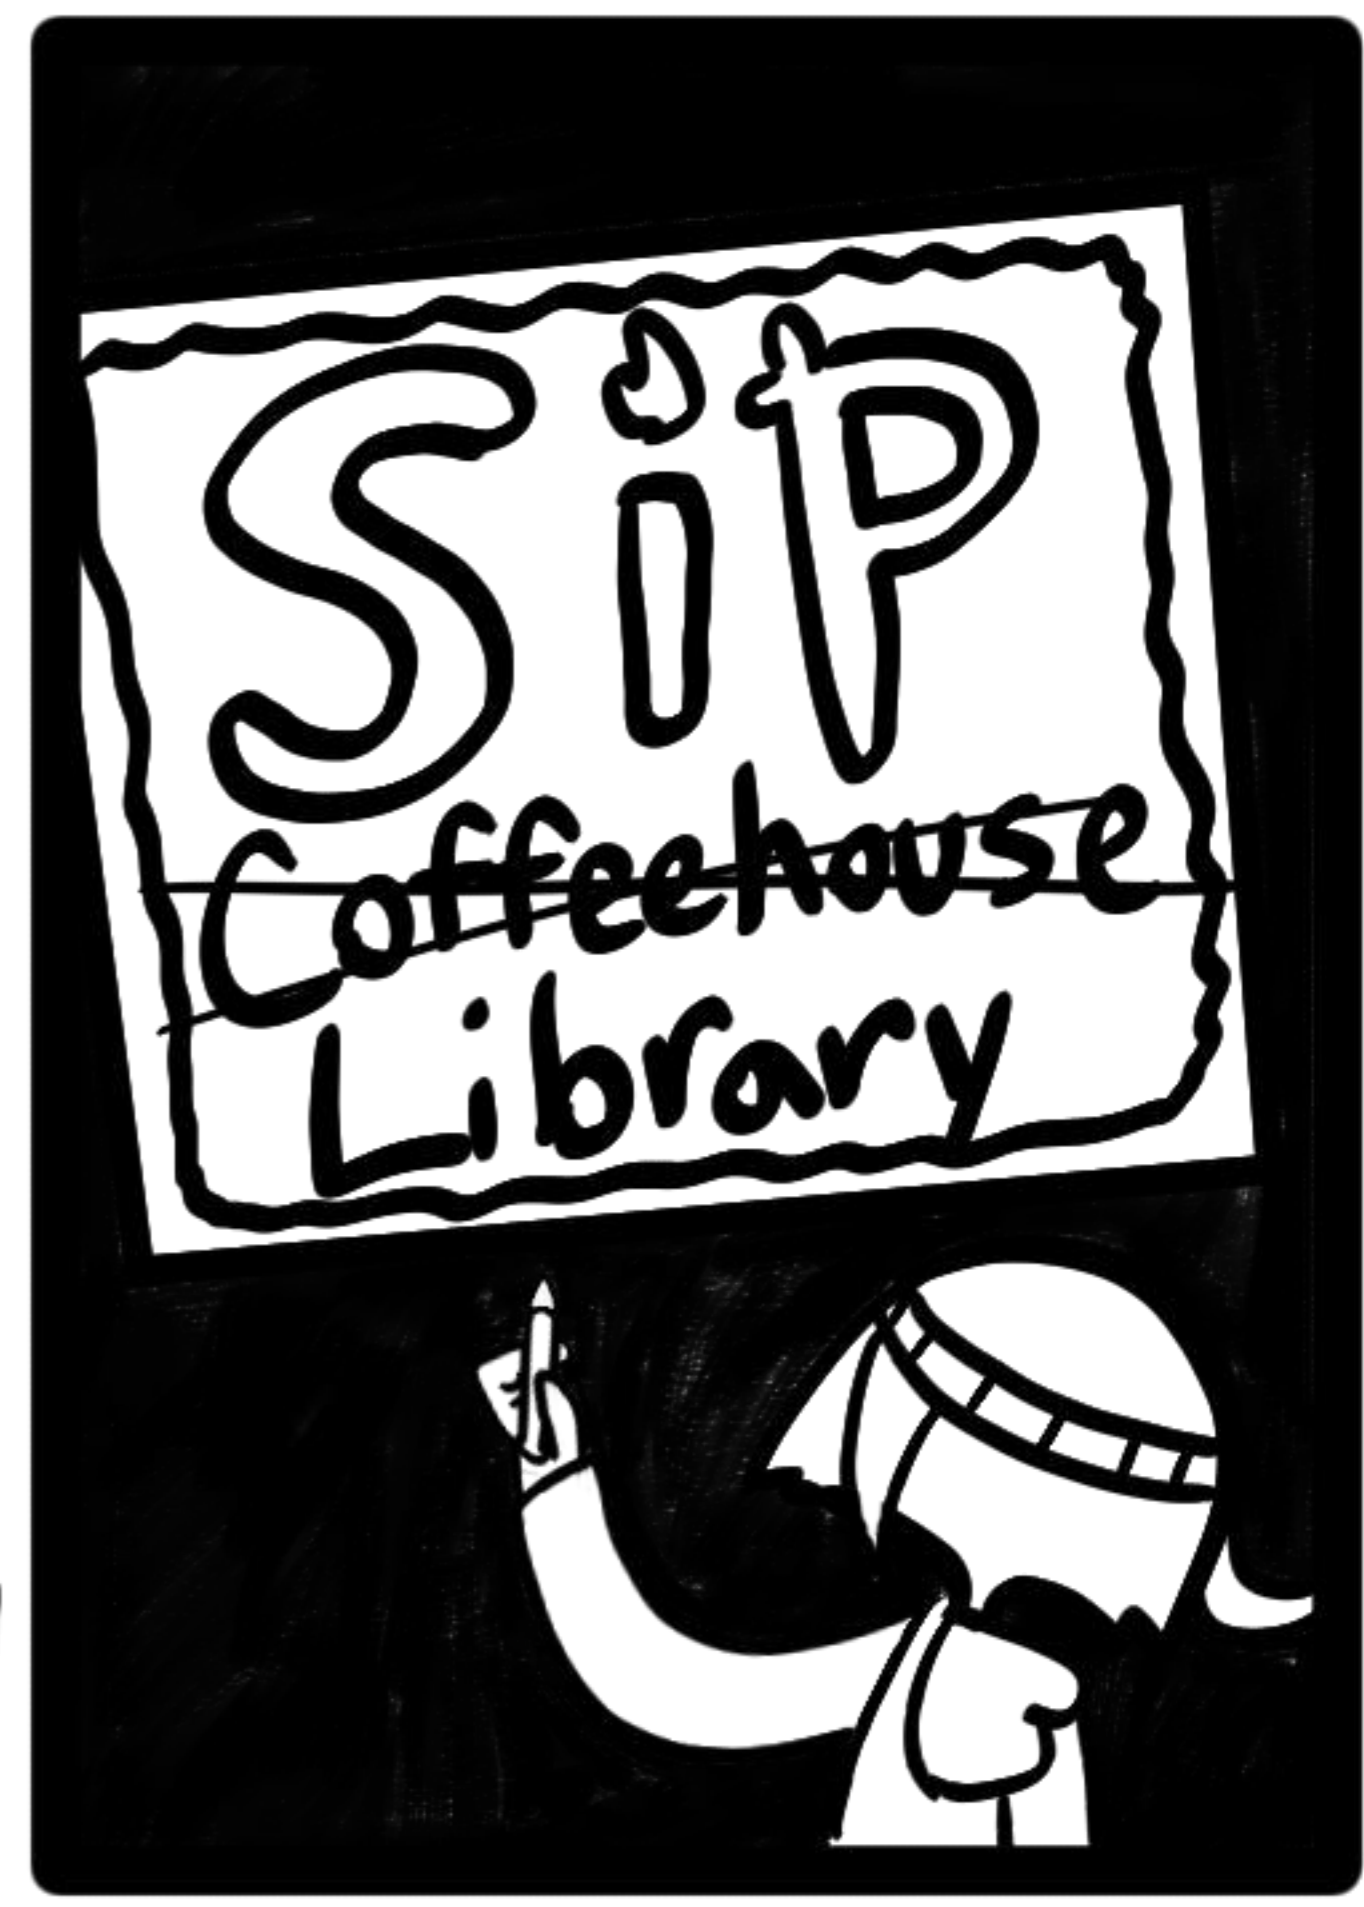

I still don't know what REALLY goes on in those "call booths"

Sip Coffeehouse

1223 W. Grand

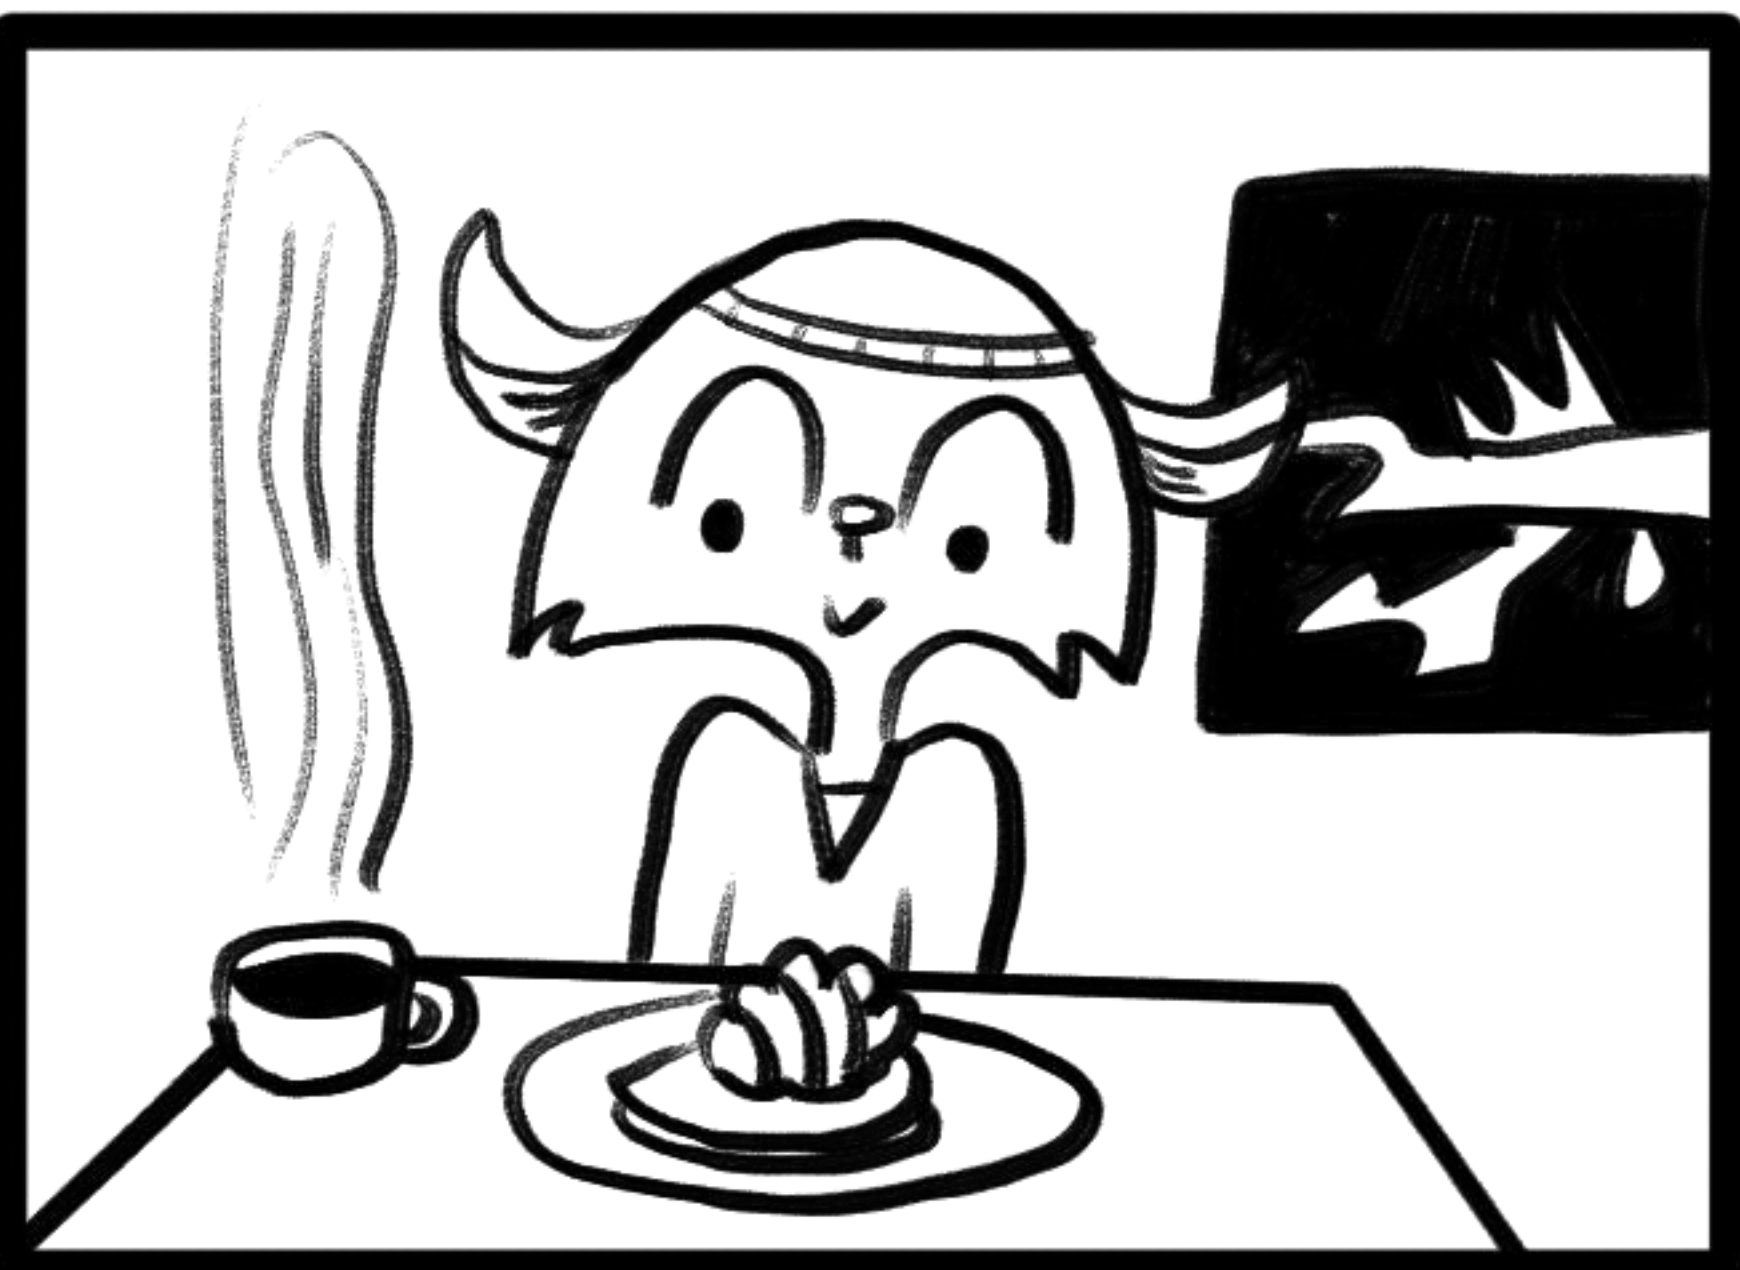

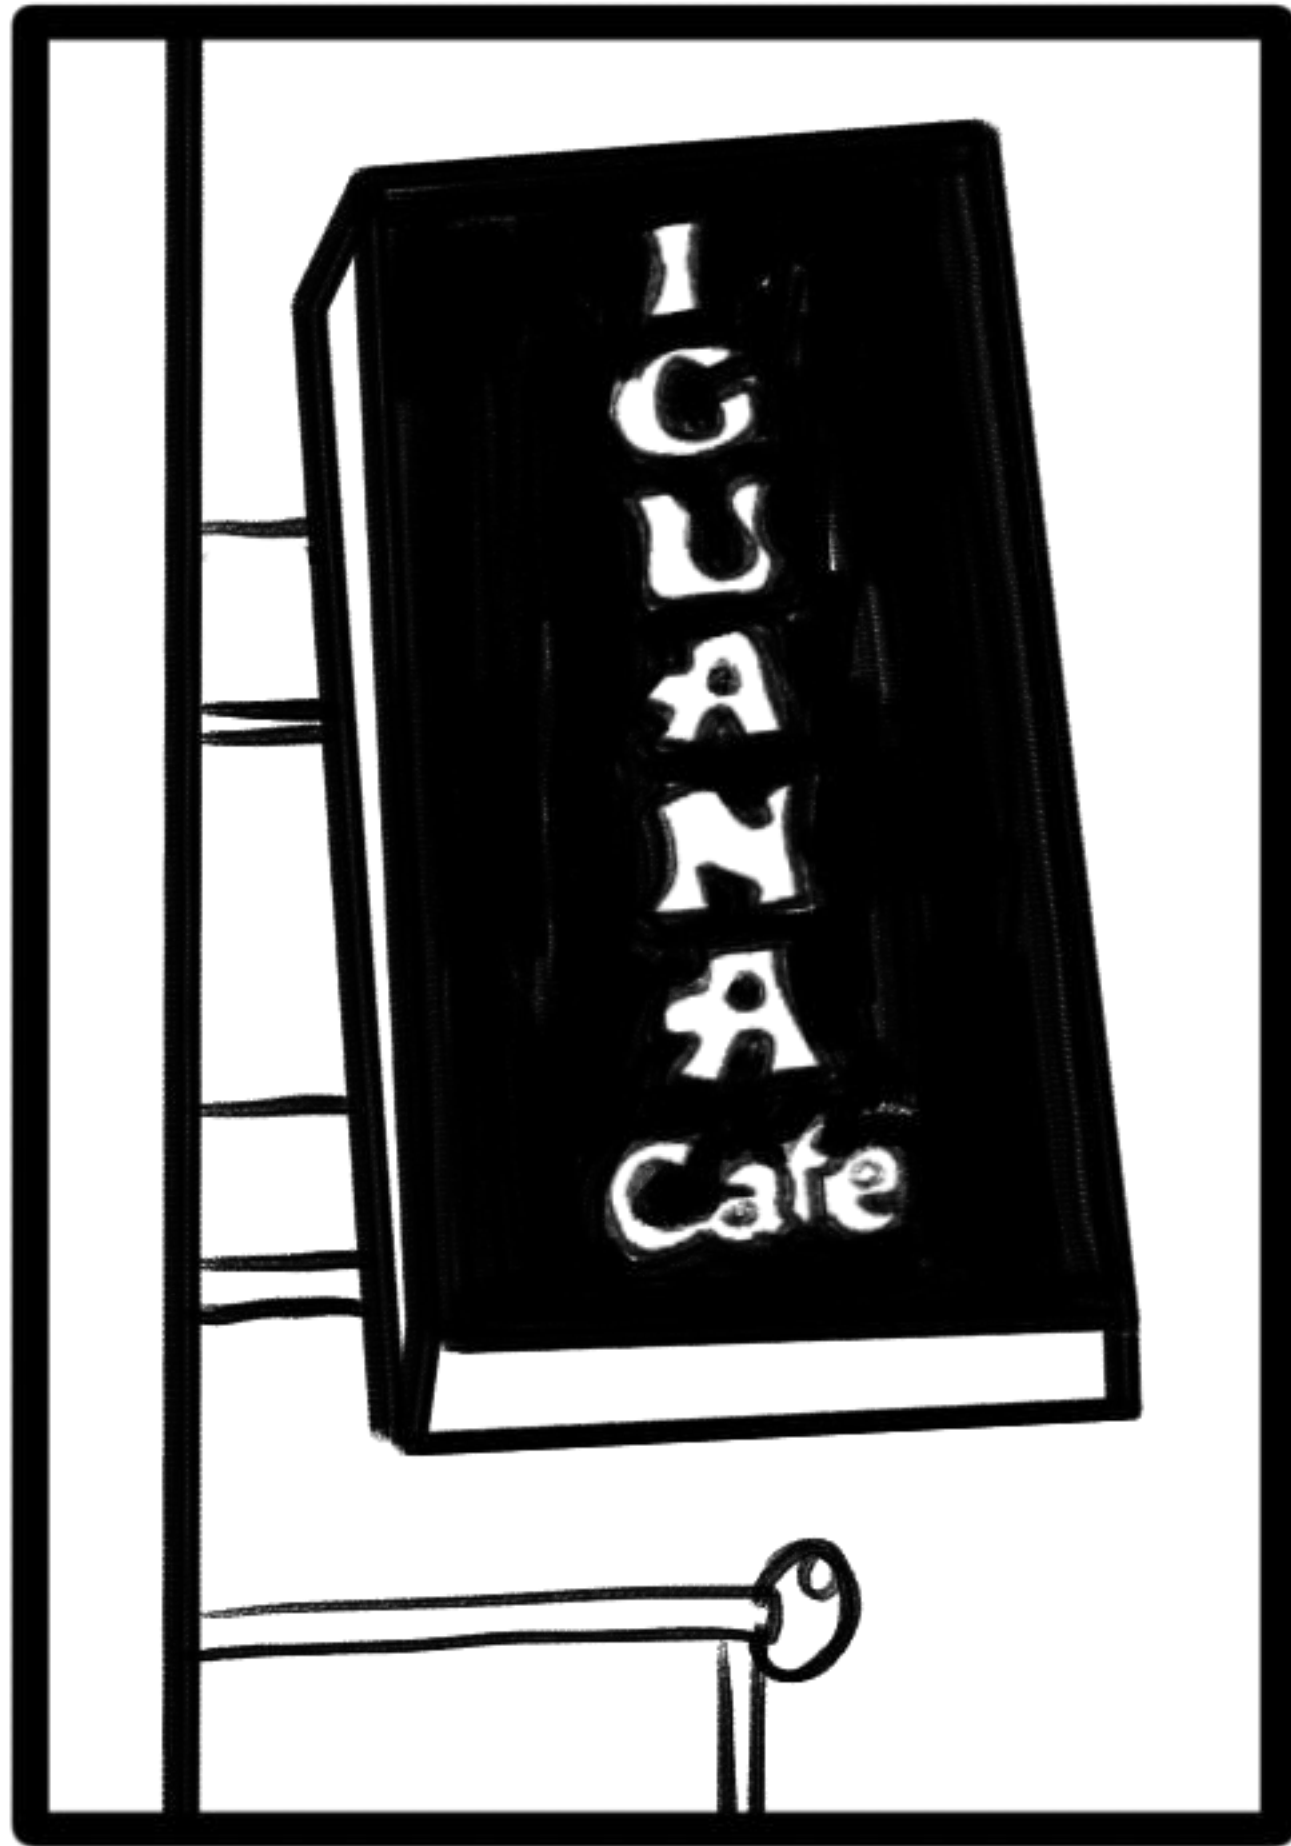

IGUANA CAFE - 517 N. Halsted

So everyone says to me:

You've been looking for a late-night Chicago Coffeehouse!

"Well, I know one, it's called IGUANA CAFE."

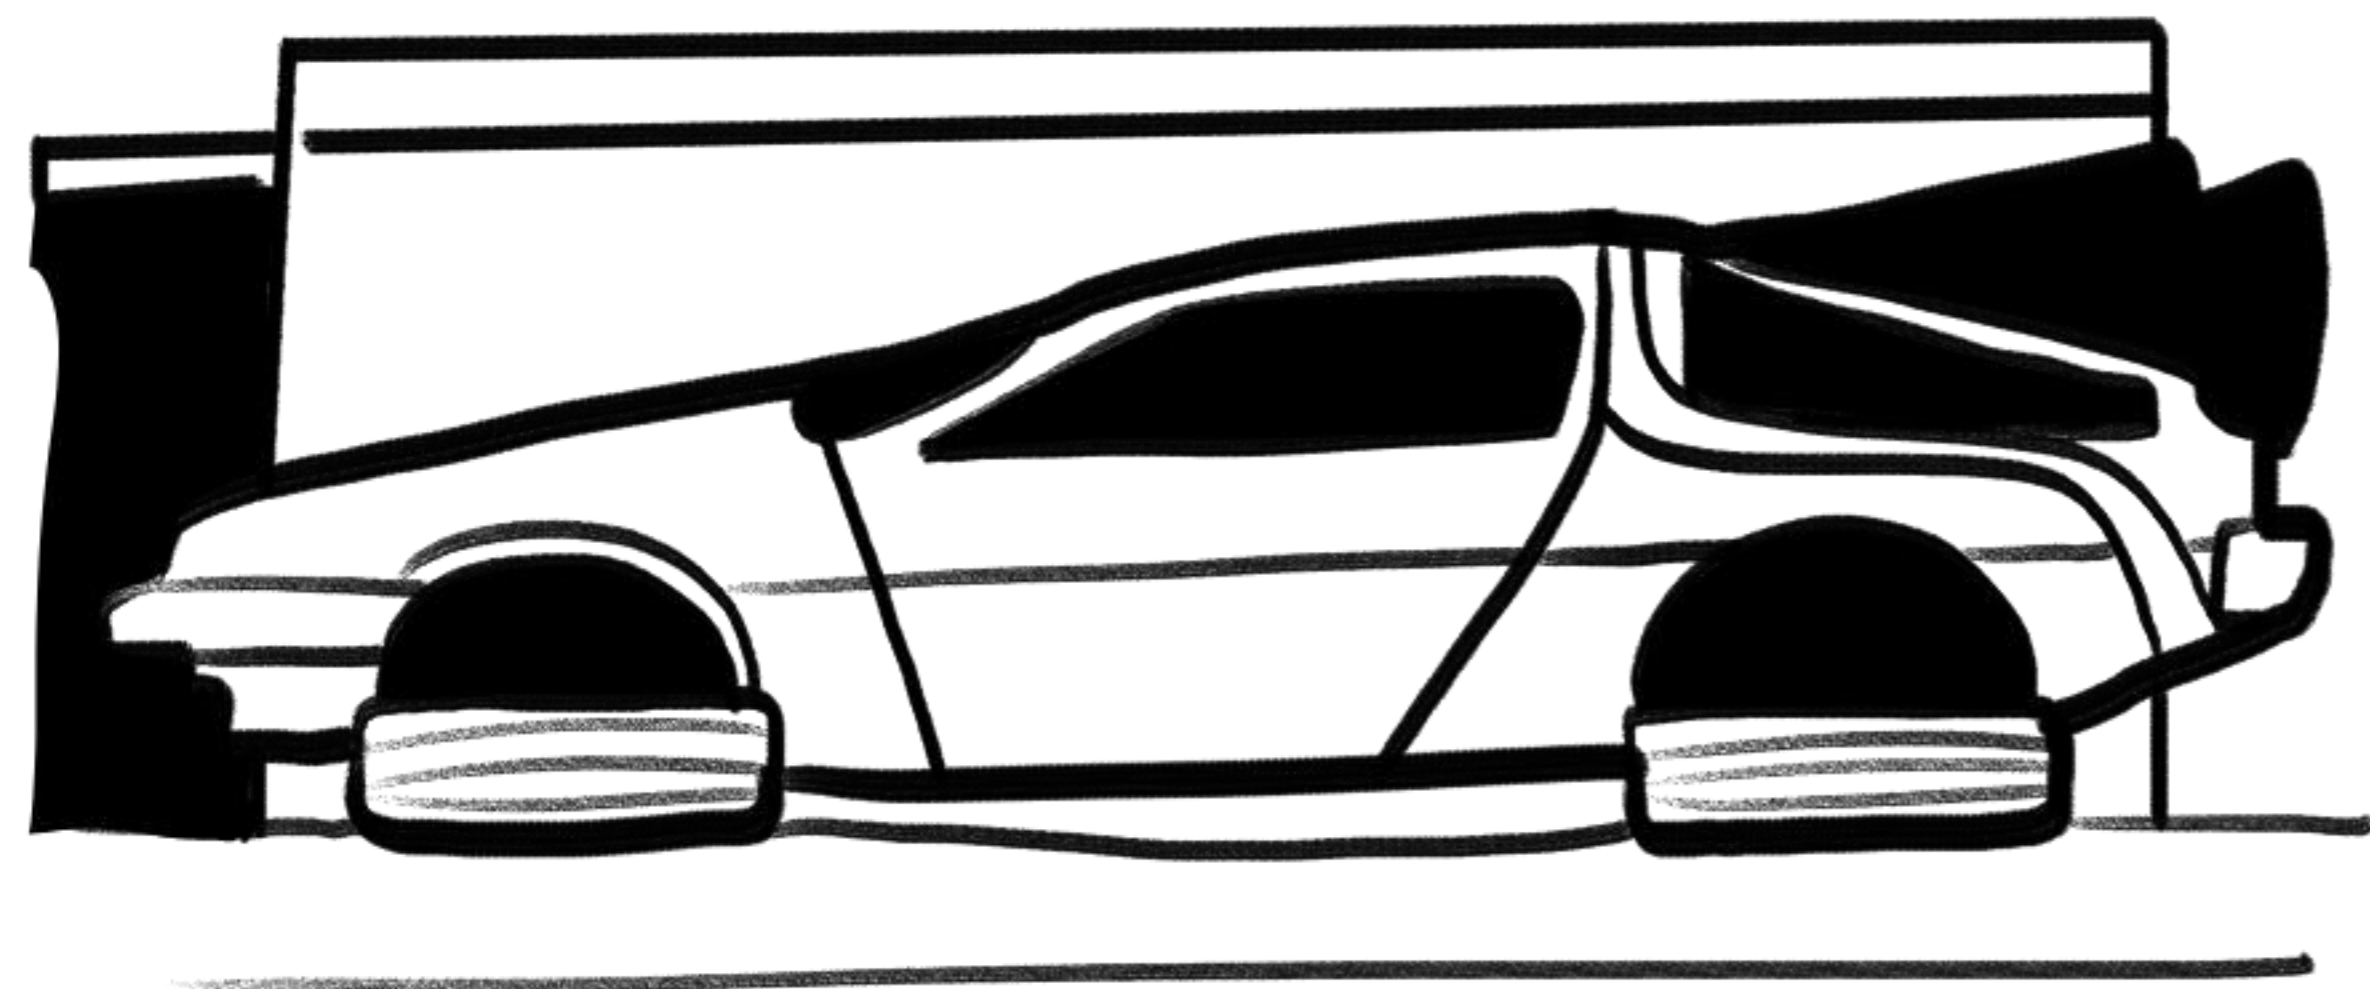

It's a restaurant NOT a Coffee house!

Try the C...si!

The Wormhole-1462 N. Milwaukee

I AM OLD & ONE DAY
I WILL DIE

There's a
DeLorean
here...

There's Ninja Turtles
There's Ghostbusters
There's Old Apple Computers &
Old movie Posters.

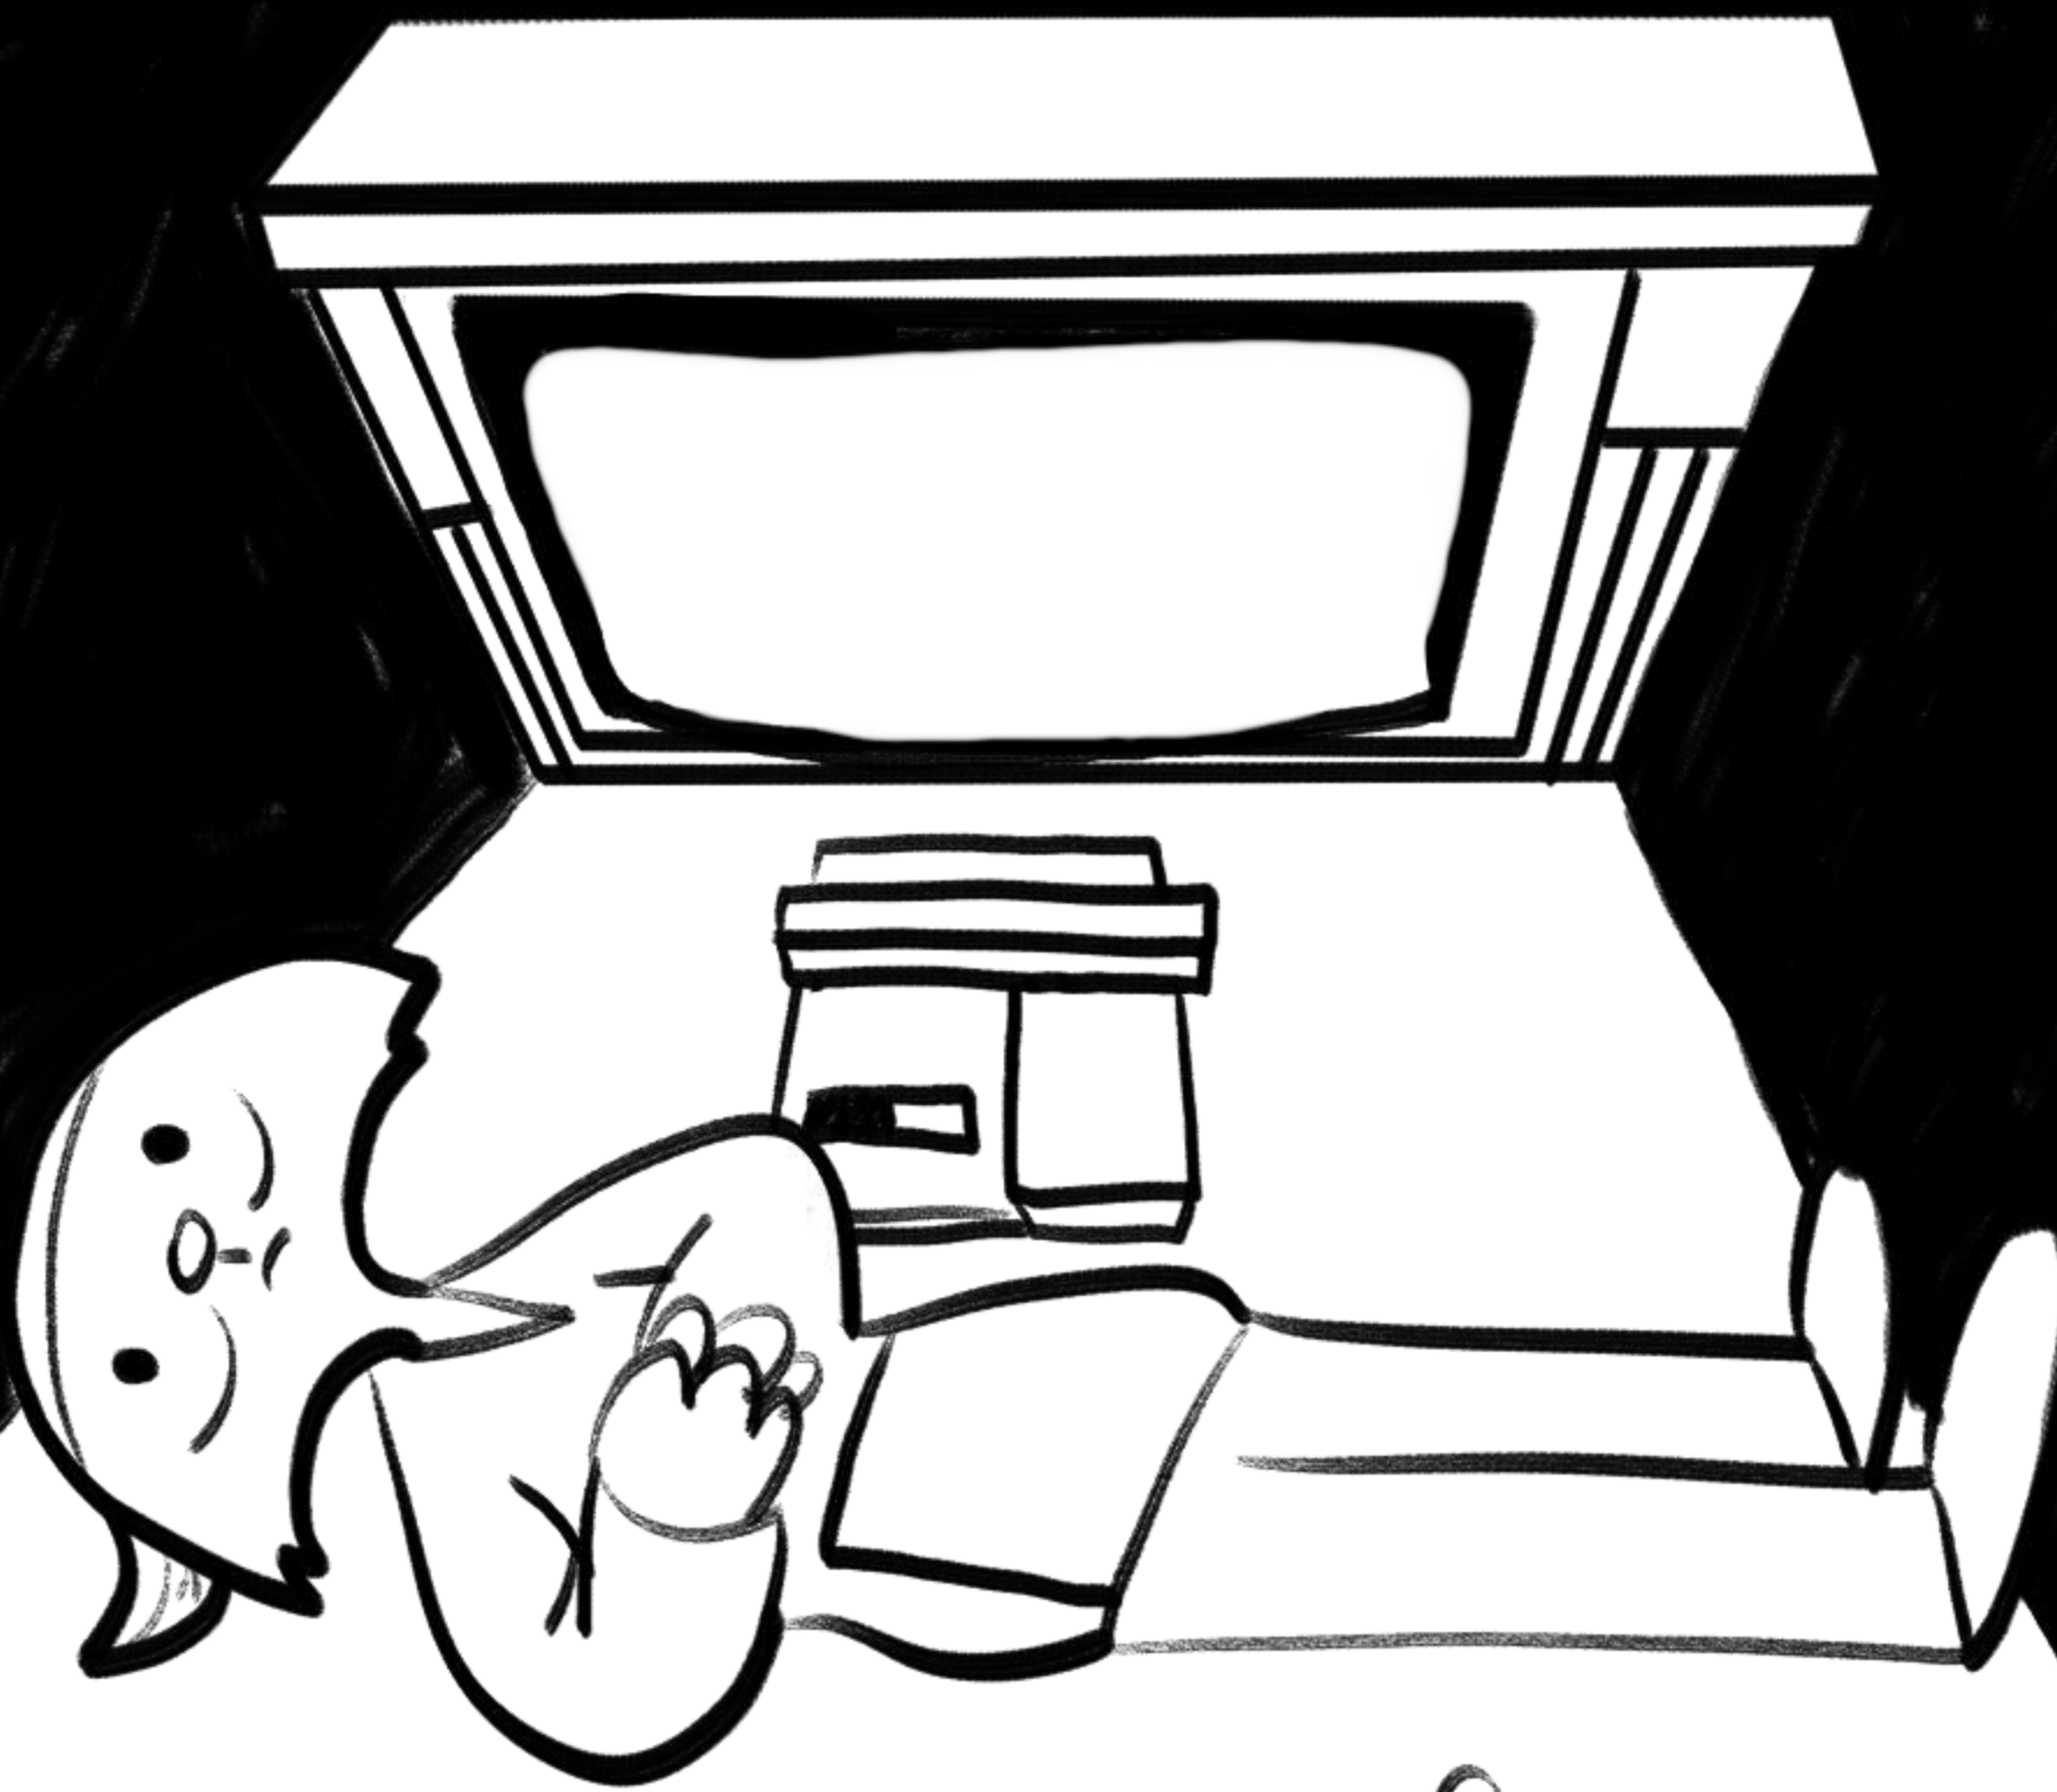

Memorabilia of when I
was a kid...

... Over 20 years
ago.

Just lay me down in front
of the NES & Cathode Ray TV
(that's also here)

This is a museum of my Lineage.
My time in this world has past
There is nothing left

But...
Try the
"mocha puffs cereal"
It's fucking
disgusting
AND AMAZING
at the
same time!

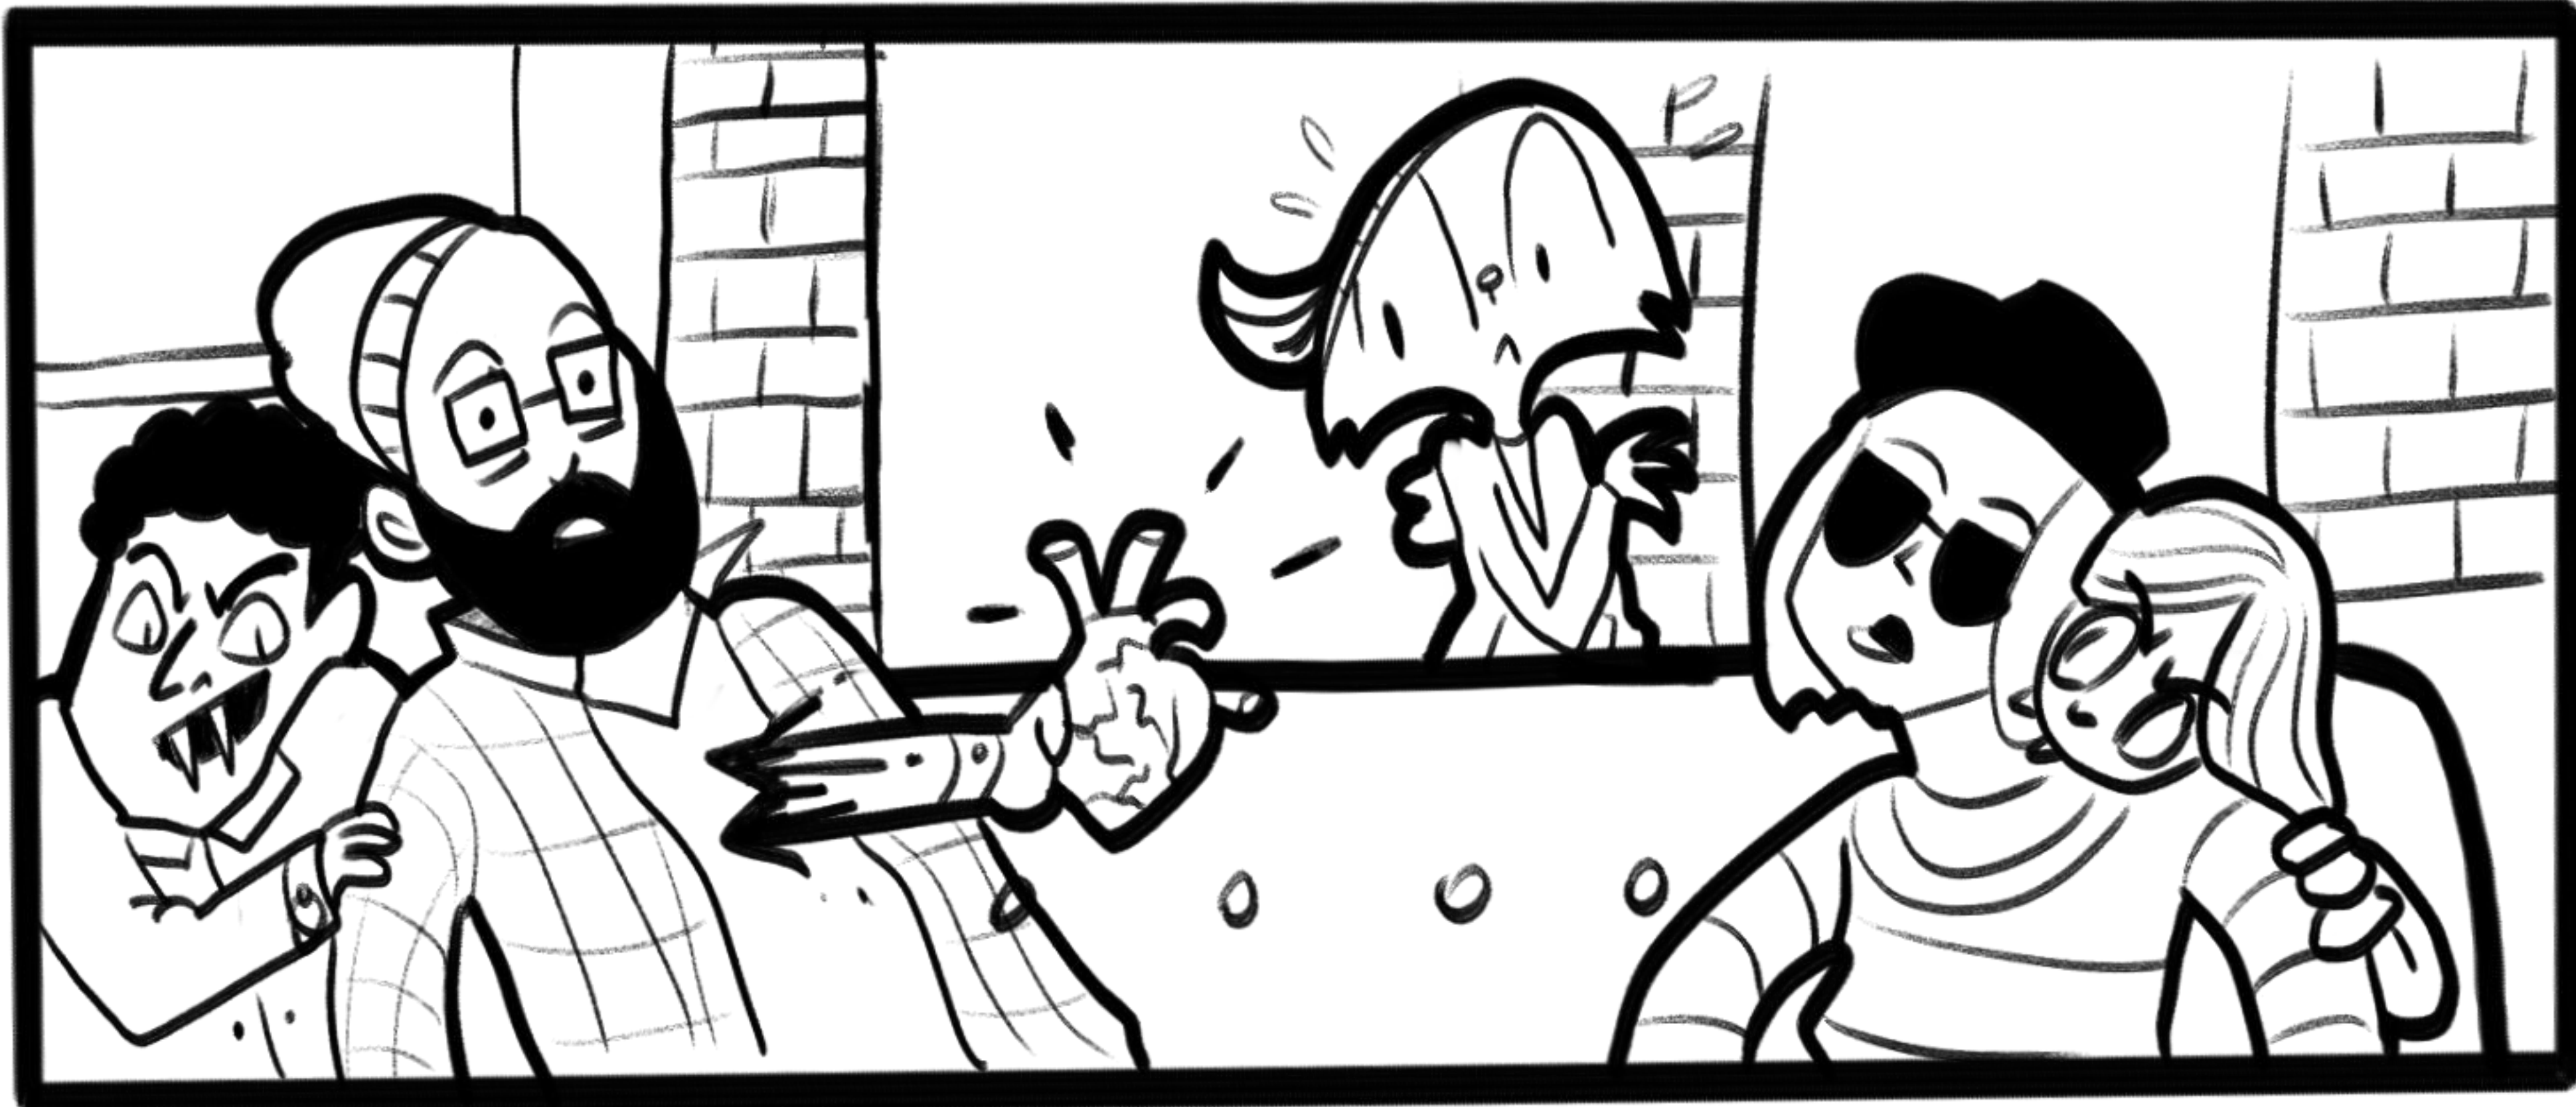

Filter Cafe 1373 N. Milwaukee

Once upon a time...
Hipsters roamed this land.

BUT THEN
the Yuppies
Came!

Survivors
fled
to Logan
Square

And **THEY** took
over...

Check out
my Fantasy
Football team

Ew. Jay

Hero's known for its alternating variety

What coffee do I take at home?

Oh! I get some Bowtruss or Metropolis & then I Aeropress...

Er...
